To say this has been achieved (and then some) might be an understatement, with the venue housing a bistro area that includes a large three-storey children's playground, a kids entertainment room, and seating for functions an outdoor terrace that holds 100 people. In addition, the other side of the hotel includes a lounge bar that doubles up as a live entertainment area, a public sports bar with TAB, a gaming room, and a smoking balcony.

The Huntlee Tavern gastropub serves up lashings of your favourites is made from locally sourced products providing farm to plate experience you'll be itching to tell your friends about. On the menu, you'll find great steaks and ribs, pizzas, vegan dishes and a great line up for the kids. The bars at the Huntlee not only showcase a healthy line up of fresh beer and cider, they also shake up some a delicious menu of cheeky cocktails. From classics like sours and martinis, to inventive creations like their blueberry Cosmo and lots of weekly specials. Grab a drink and find your spot in one of the cosy spaces including lounges by the fire
